LETTER FROM THE PRINCIPAL

DEAR FOREST PARK FAMILIES AND COMMUNITY,

The partnership our school has with the Forest Park community is invaluable. Because of our work together, Forest Park Elementary students thrive. FPE offers a robust academic program, complemented by specialty classes — Music, PE, Library, Technology, and Mandarin language. FPE purposefully includes faculty members whose specific job is to enhance the academic programming of all grades. Personnel who support core content instruction allow classroom teachers to have the support they need to provide small group and individualized instruction for their students.

Money raised by the Friends of Forest Park Elementary ensures that all FPE students benefit from the financial support raised by our parent and community partners.

Friends of Forest Park Elementary is one of the largest foundations in Portland Public Schools. One third of all money raised from any foundation goes to the All Hands Raised Equity Fund. This year the Friends of FPE contributed \$70,000. Equity grants go to schools without foundations, offering financial support to schools across the City of Portland and throughout Multnomah County. This is an important consideration as we look to bring the highest quality educational experience to our own children; Friends of Forest Park Elementary has a positive impact in other school communities as well.

Once again, Forest Park Elementary remains highly rated by the Oregon State Department of Education a 20-year tradition, continuing our long-standing reputation, earning Level 5 rankings in Student Growth and Achievement. Families choose Forest Park Elementary over private schools time and again, knowing that together we create a top-rated academic experience for all of our students.

We thank you for your support!

Sincerely,

Lisa Newlyn

PRINCIPAL AND THE FPE FACULTY AND STAFF

FROM FRIENDS OF FOREST PARK ELEMENTARY

Welcome to the 21ST Annual Forest Park Elementary Auction!

Thanks to generous contributions from people like you, our children's elementary school experience is enhanced. And that is what tonight is about – raising money for our kids' education.

Our annual fundraising goal of \$300,000 provides our school with additional staff that would otherwise not be possible. Any bid or donation tonight makes a difference. Every dollar allows our Principal and leaders to not only envision the possibilities, but to make them a reality.

2019 marks the first official auction hosted by Friends of Forest Park Elementary (FOFPE). The organizations you may have known before, as PTA and Foundation, are now FOFPE, a group that is more focused than ever on delivering a great education and experience to our students and our community.

It takes a dedicated team to put on this amazing event. So please take a moment to thank the numerous volunteers, donors, and auction committee. And an extra special thanks to auction chairpersons Eleanor Dolev and Susan Lee – their leadership and hard work has been tremendous.

Thank you for joining us tonight and showing that you are **ALL IN** to support the finest elementary school in Oregon. Raise your paddle and raise it often, and have a wonderful evening!

FROM THE AUCTION CHAIRS

It was 21 years ago that Forest Park Elementary held its first auction and the theme was “Evening Under the Stars.” Money raised helped pay for the covered play area that our kids enjoy today. Fast forward to 2019 and we are celebrating our 21st annual auction. The auction brings parents and teachers together to procure auction items, work on art projects, and host sign up parties. This year’s theme is Monte Carlo and we are so excited to see so many families donating, attending, and supporting our school’s biggest fundraiser! There are so many items to bid on that you will be sure to leave with something amazing. Our own lists are long and we look forward to bidding against you!

We have no doubt that our families will work together to meet, or exceed, our goal of raising \$300K for our school.

Who will win the golden ticket? Whose child will be Principal for a day? Who will be the last one on the dance floor? All of these questions will be answered soon!

FROM THE CLASSROOM ART CHAIRS

"Every child is an artist."

The auction art projects bring to life this quote by Pablo Picasso. Every autumn, the children of Forest Park Elementary work together with their classmates to create a unique masterpiece. Rocks, felt, string, wood, paper, paint, and many more materials were used this year. The result is a gallery of creative pieces and fun memories to be cherished. Children are filled with excitement as they take part in this process and can identify their involvement in the finished product. It's beautiful to see the coming together of children, parents, teachers, and community members, as they work toward a common goal. Inventing, experimenting, taking risks, and having fun are all part of the experience.

The success of the art projects depends on contributions from our incredible volunteers. Your time, innovation, hard work, and fortitude is valued. We've heard of the dreams (and nightmares) you have experienced during this artistic journey, and we can't thank you enough for your dedication. Our community plays an important role as well, with the donation of supplies, talent, and services. Thanks to Chrisman Framing Cedar Mill and Kirsti Holley Photography. We could not have done it without you.

ON THE AUCTION FLOOR

AUCTIONEER, BRIAN GOODWATER/STOKES AUCTION GROUP EMCEE, SARAH E SHIVELY

Brian Goodwater joined Stokes Auction Group in 2004 after graduating from Western College of Auctioneering. He got an early start in the auction industry by working summers at his grandfather's auction business. Gaining experience in the many different roles of auctions, it was a natural progression for Brian to become a professional auctioneer.

Sarah E. Shively works with Marquam Auction Agency serving charity auction events throughout the Portland area. Mostly working as a bid assistant, she especially enjoys school auctions. Mostly known these days as "Levi-Shem's mom" Sarah is mother to a Forest Park kindergartener.

AUCTION RULES OF ENGAGEMENT

REGISTRATION - Guests must check in at the registration desk and secure a bid number. Only bids by registered bid numbers will be honored for the live and silent auctions.

PAYMENT - Anyone who bids in the live or silent auction agrees to pay the amount of his or her bid if it is determined to be the successful bid. All purchases must be paid for in full at the auction. Payment may be made by cash, check, VISA or MasterCard, at the cashiers' table. All sales are final. There will be no refunds or exchanges. Refunds are not available for any unused portions of certificates.

ITEM REMOVAL - Paid receipts will be required before any item may be taken from the auction site. All items are to be removed from the building the night of the auction. In the event the item is not removed, the purchaser is responsible for making arrangements for the item's security. Friends of Forest Park Elementary cannot be held responsible for any item left unclaimed.

LIABILITY - The auction committee has endeavored to catalog and describe all items accurately, but all items are sold as is and Friends of Forest Park Elementary assumes no liability nor makes any guarantees for the products or services purchased. No statement contained in the catalog or made orally at the sale or elsewhere shall be deemed to be a warranty, representation nor assumption of liability. Any experiences sold at the auction are to be undertaken at the sole risk of the purchasers. Friends of Forest Park Elementary is not liable or responsible in any way for loss, injury or damage to property.

ITEM DESCRIPTIONS - Every effort has been made to include restrictions and expiration date of all items listed in the catalog. However, please be sure to check all gift certificates upon receipt for restrictions and expiration dates. Friends of Forest Park

Elementary is not responsible for gift certificates that are not used before their expiration date and/or for restrictions placed on these certificates.

LIVE AUCTION RULES - There may be a few items not listed and they will be announced clearly before bidding begins. Use your bid number as an indication to the auctioneer or spotters that you are bidding. If you are the successful bidder the auctioneer will acknowledge your winning bid and bid number. The auctioneer will be the final judge of the successful bidder for every item sold in the live auction. All persons who bid in the live auction agree to pay the amount bid if they are determined to be the successful bidder. Payment will be made in accordance with the Auction Rules of Engagement.

ITEM DESCRIPTIONS, TRIPS, PARTIES, ETC. - Reservations for all trips, parties, and similar events must be arranged with the donor unless otherwise specified. If a recipient cancels tickets or accommodations, no refund will be allowed from Friends of Forest Park Elementary. Transportation to the point of the experience is not provided unless specifically stated. We reserve the right to withdraw any item from sale prior to the date of the auction.

GIFT CERTIFICATES - Gift certificates issued in lieu of products or services must be presented to the donor for specified products or services. They are not negotiable for cash, credit, or payment of prior accounts receivable. Gift certificates do not include tax or gratuity.

ADDENDUM TO THE CATALOG - Additional items and services, corrections, and deletions may be listed on an addendum available auction night.

MR. BROWN'S 3RD GRADE ART PROJECT OUR CITY OF ROSES

Portland's love of roses dates back more than a century. Take a stroll through the Rose Garden and you'll be smitten too. Inspired by the beauty of more than 10,000 rose bushes found within this garden, the students in Mr. Brown's class created their own rose garden. Using the skills acquired in their Artist in Residence program, each child made a signature shade of watercolor paint by blending colors and gave it a special name. They painted with this color and meticulously drew roses on top of their watercolor. Look closely and you will find your child's initials hidden within the petals. The richness of colors and the variety of the roses create a unique work of art that celebrates both individuality and a coming together of community, a true reflection of what it means to call the City of Roses our home.

THANKS TO: Mr. Brown's 3rd grade class, Leah and Michael Wannell, Anuja Chandra, Jessie Kuharik, Kelly Ranalli

4TH GRADE EXPERIENCE LIFE SIZED GAME NIGHT

MRS. BANNON'S 4TH GRADE ART PROJECT STRENGTH AND COMFORT

There is strength in the differences between us and comfort where we overlap."
-Ani Difranco

The inspiration for this priceless work of art was found in our own neighborhood. Forest Heights - boasting plentiful trees with strong roots, trunks, and moss. Each tree exudes its own beauty. Together with their neighboring trees, they create an overlapping, protective, yet welcoming force. The children chose their own zentangle design for their tree, a design that embraces each child's spirit, strength, and inner beauty. As our children navigate the world around them, appreciation of differences within their community is imperative. When standing together, their collective differences will inevitably make them stronger.

THANKS TO: Mrs. Bannon's 4th grade class, Amy Dewis, Courtney Qualls

PRINCIPAL FOR A DAY

Join Principal Newlyn and be in charge of the school for one special day! One lucky kid will move into the Principal's office, hand out his or her very own business cards, help update the school's Facebook and Twitter accounts, write a thank you newsletter for Volunteer Appreciation Day, take charge of the fire drill megaphone, and invite three friends to lunch in the Principal's office! The most exciting part of this day might just be the secret "behind-the-scenes" tour that only a few special kids have had the chance to experience!

DATE: TBD and THANKS TO: Principal Lisa Newlyn

P.E. TEACHER FOR A DAY

Get ready to blow your whistle! One lucky kid will get to be Mr. Huntley's Assistant P.E. Teacher ALL DAY LONG! The winner will pick the day's activities, select the music, use the microphone to give instructions, and bring a friend to have lunch with Mr. Huntley.

DATE OF EXPERIENCE: TBD (will coordinate with student's teachers)

THANKS TO: Mr. Huntley

LIBRARIAN FOR A DAY

Attention book lovers! Get ready for your child to be Librarian for the Day! Your student will be able to assist the librarian with check in and out of books, shelving books, recommending books and assisting other students in locating books. On top of that, he or she will enjoy a pizza lunch with the librarian and library assistant. Finally, your student will be able to select a book to add to the Forest Park Library collection, with a bookplate commemorating the experience. Our Librarian for a Day will be the very first to check the new book out!

THANKS TO: Laura Axon

TREAT A TEACHER

Help show appreciation to one lucky FPE staff person. Our teachers are important parts of our children's lives. Let's treat a teacher with an hour massage, monthly bundt cakes for a year, monthly bread for a year, delicious Cacao-nectar snack bars, and a variety of specialty teas. We are asking each family to raise their paddle to contribute \$25 to support in "treating" a teacher. Please raise your paddles for our fabulous FPE staff.

Drive in like a VIP and have a spot all to yourself from the first day of school until the last. This parking spot comes with a sign (that you can keep) with your last name and your kids' names!

THANKS TO: Principal Lisa Newlyn

5TH GRADE ART PROJECT CROSSING THE BRIDGE

Our wonderful 5th graders are preparing to cross over the bridge from elementary to middle school. They have had an amazing ride over the past 6 years, many of them together at Forest Park Elementary the entire time and some joining in the middle to complete their 5th grade family. This art piece is a wonderful way to celebrate the past and anticipate the future. From afar, the piece shows the iconic St. John's Bridge, a Portland landmark. Up close, it reveals the faces of all 5th graders. It encapsulates the wonderful time these children have shared and will be a fabulous memory to have in your home for years to come.

THANKS TO: 5th grade classes, Robin Owens, Katie Pack

ROOM 124 KINDERGARTEN ART PROJECT STATE OF MIND

The state in which we live is full of beauty and unique landmarks. Every bit of land begs for exploration. The talented artists in Room 124's kindergarten class carefully selected paper strips cut from magazine pages to cover a miniature wooden Oregon. Colors, patterns, and words led their choices as they inspected both sides of every strip, searching for ones holding special meaning. If you look carefully across each state, you will find words including Tillamook, Hood, and Bachelor, as all of the magazines were local. Make this modern masterpiece a part of your home and your exploration of Oregon can continue for years to come.

THANKS TO: Room 124's Kindergarten class, Mihye Ko, Sheryl Wehner, Heather Garza, Sivasankari Vaiyakkani

MRS. TRINCHERO'S 4TH GRADE ART PROJECT EVERLASTING EVERGREENS

We live, play, and learn in the Evergreen City of Portland. From our neighborhood trails to the paths winding through Forest Park, we are surrounded by majestic and diverse evergreens. The children used a melted crayon technique to create a forest of trees that cover a wooden plank. This timeless work of art depicting the iconic native trees we see daily reminds us to slow down and "stop and smell the evergreens."

THANKS TO: Mrs. Trinchero's 4th grade class, Jerda Solonche, Fara Pusch, Litan Li, Kai Chen

ROUND OF DRINKS: GLENMORANGIE 10

Forget about the fruity cocktails and wine and buy a round of this 10-year-old single malt scotch for your table. Served chilled and neat for your table.

MS. CREWS' KINDERGARTEN ART PROJECT MY CITY, MY HOME

"Where you grow up becomes a big part of who you are for the rest of your life." Helen Mirren

Portland will forever hold a special place in our children's hearts as the city where they grew up. No matter where they go, the sights, sounds, and people of Portland will always be a part of their story, and returning to Portland will always feel like coming home. The talented artists of Ms. Crews' class captured the beauty of the Portland cityscape using acrylic paint on paper. Mt. Hood rises majestically in the background. Each child selected a color, which was then used to bring the city to life with vibrant thumbprints.

THANKS TO: Ms. Crews' Kindergarten class, Amy Hackett, Mara Rempel

CANNON BEACH GETAWAY

Enjoy a 2-night stay at The Ocean Lodge in Cannon Beach with pet friendly & ocean front rooms. Leave your car at home and ride to the coast in style in a Mercedes. Relax on your deck overlooking Haystack Rock and the beautifully scenic Oregon coast. Conveniently located at the south end of Cannon Beach (the most desirable beach town on the Oregon coast), you are just minutes from boutique shopping, art galleries and restaurants. The Ocean Lodge has a library, movies, and games for you to borrow, but building sand castles and beach combing remain family favorites. Your stay includes breakfast and a beach bag of family fun. The Ocean Lodge stay is not valid in July and August and only Sunday to Thursday.

THANKS TO: The Ocean Lodge, Mercedes-Benz of Beaverton

MRS. MCGINNIS' 4TH GRADE ART PROJECT ESPRESSO YOURSELF

Portland embodies self-expression. Walk into any coffee shop and you'll see people expressing themselves in a variety of ways. Our children are learning at an early age that being themselves is beautiful. Each student selected a unique coffee cup or pastry, traced it onto watercolor paper, and adorned it with patterned paper. No two cups or donuts are alike. All stand tall and balance together to create this unique work of art.

THANKS TO: Mrs. McGinnis' 4th grade class, Mihye Ko, Sheryl Wehner, Guiyne Zhang

MRS. SMITH'S 2ND GRADE ART PROJECT DOTS AND SQUARES, OH MY!

Polka dots are playful. Squares are serious. Put them together and you may be delirious! Mrs. Smith's 2nd graders got their creative juices flowing as they added colorful dots to solid wood squares. Allowing children to be creative with color and shapes encourages growth and spontaneity. Note the unique patterns, sizes, and choices of color placement. This will add a pop of color and modern design to your home.

THANKS TO: Mrs. Smith's 2nd grade class, Laura Randall, Stephanie Liefeld, Kai Chen

MRS. HOLSCLOW'S 3RD GRADE ART PROJECT THE POWER OF THE STAG

Portlandia law decrees that every resident must have this famous sign represented in their home in some manner, so why not an artist rendition created by your own child?! Mom volunteers lovingly held over 800 nails that were hammered into canvas by each student. Then the children had multiple sessions using string art techniques to create a 3-dimensional depiction of this downtown sign. As you can imagine, some kids loved hammering while others preferred stringing, but fun was had by all.

THANKS TO: Mrs. Holsclaw's 3rd grade class, Sue Grepper, Sarah Pappas

DOWNTOWN PORTLAND GETAWAY!

Enjoy dinner at Higgins, a night's stay in The Duniway Portland and breakfast for two at Jackrabbit. Continue this staycation with a walking tour for two with Portland Walking Tours!

THANKS TO: Higgins Restaurant & Bar, Portland Walking Tours, The Duniway

DR. MARTINI'S 1ST GRADE ART PROJECT KALEIDOSCOPE OF COLOR

There are more than 1 million different species of insects on the planet. Butterflies taste with their feet. Dragonflies can fly backwards. Each bee has 170 odorant receptors, which are critical when searching for flowers. The kids in Dr. Martini's class are insect experts after their biology unit, which made this project extra fun! They created their own paper designs using alcohol inks. New colors were made by blowing through straws, splattering paintbrushes, and dropping rubbing alcohol with a medicine dropper. This art will bring nature's beauty indoors to be admired no matter the season.

THANKS TO: Dr. Martini's 1st grade class, Sheryl Wehner, Mihye Ko, Coco Xie, Sunita Thaker

MRS. HILDEBRANT'S 2ND GRADE ART PROJECT RAIN OR SHINE

What are we? We like to be wet or dry, loud or quiet, open or closed, alone or together. We are umbrellas!

All the little artists in Mrs. Hildebrant's class outlined an umbrella that resonated with them, using a printmaking technique. You can tell from the sketches who likes to get wet and who prefers to stay dry! Either way, we embrace the precipitation, as it provides us with vibrant outdoor colors throughout the year.

THANKS TO: Mrs. Hildebrant's 2nd grade class, June Dolber, Kate Capellino, Pat Greene

NIGHT OF PINK & RED PORTLAND GETAWAY

Enjoy a night in the new Radisson RED Hotel in downtown Portland, including a breakfast at OUIBar + KTCHN. Spend the evening rocking out with two Pink Martini concert tickets for April 1st 7:30pm at Arlene Schnitzer Concert Hall.

THANKS TO: BMO Commercial Real Estate LLC, Emily and Brian Owendoff

MS. PEASE'S 1ST GRADE ART PROJECT YOU LOVE ME, YOU LOVE ME NOT

The beauty of a flower can usually be attributed to the colors that radiate from its petals. The talented artists of Ms. Pease's class have traced, cut, and painted their very own petals using various watercolor techniques. These individual petals come together beautifully to make an abstract 3-dimensional flower. They can be ripped off in your imagination, one by one, as you say, "You love me, you love me not."

THANKS TO: Ms. Pease's 1st grade class, Leslie Jordan, Miriam O'Mahony, Rebecca McAllister, Noelle Farina, Rachel Wallack, Dara Abraham

MS. FORD'S 1ST GRADE ART PROJECT LOLLI LOLLI POP

"Oh lolli lolli lolli, lollipop, lollipop." It's difficult not to break into a tune when you hear these lyrics. Lollipops elicit sweet memories from our childhood and bring smiles to kids. These 1st grade artists sat around a table covered with hundreds of felt circles of various colors and sizes. They created 5-layer lollipops by playing around with different combinations until their favorite was designed. Depending on their arrangement of color, the lollipops appear to shrink, grow, and dance in this modern masterpiece.

THANKS TO: Ford's 1st grade class, Sheryl Wehner, Mihye Ko, Anita Goel, Shamita Puri

CROATIAN BEACH GETAWAY

Enjoy a week's stay at a Croatian condo at the city of Makarska, a port town on Croatia's Dalmatian Coast known for its Makarska Riviera beaches, seafront promenade and nightlife! The condo is located a 15-minute walk from the beautiful beaches and a short walk from many restaurants, shops and markets. While you are there, enjoy the condo's big outdoor space. Best suited for a family of 5 or fewer. The ideal time to stay is June through early September.

THANKS TO: Anessa & Jad Rizk

MRS. FINK'S 2ND GRADE ART PROJECT FOX IN A BOX

"The school fox is a reminder for us to be nice." "Foxes protect nature and Forest Park." The artists in Mrs. Fink's class had sweet comments about foxes while completing this work of art. Each child created a unique fox using a tangram, a 7-piece geometric puzzle of Chinese origin. These modern blue and black foxes, mounted on textured fabric background, will be a sleek addition to any room and a visual reminder of kindness, nature, and love.

THANKS TO: Mrs. Fink's 2nd grade class, Jen Baldwin, Christie Robinson, Vaishali Hotanalli, Amy Lilley

MR. LANGTON'S 3RD GRADE ART PROJECT PORTLAND RAIN

Living in Portland means living with rain. The wet season allows for a colorful landscape that makes our city rich with beauty. Our kids have learned there is no need for umbrellas as they embrace the rain. Mr. Langton's class has captured this feeling on film with a beautiful black and white photograph, enhanced with rain and colored umbrellas. Gaze at this art and it's as if you are celebrating the rain with them!

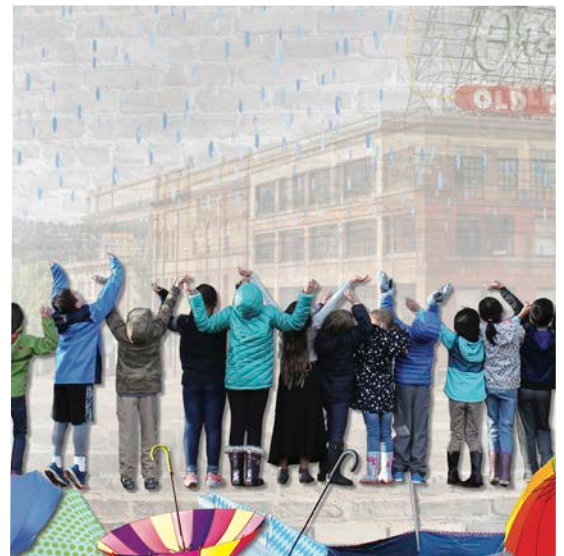

THANKS TO: Mr. Langton's 3rd grade class, Katie Pack, Jennifer Murdoch, Amy Thackery of Rare Byrd Creative

BLACK BUTTE RANCH GETAWAY

Come experience the ultimate getaway that is Black Butte Ranch! A short 2.5 hour drive from Portland, this stunning location will provide the ideal family vacation or couples getaway. In a private, gated community, the ranch is located just east of the Cascade Mountain Range near Sisters, OR. It boasts two championship golf courses, miles of paved biking trails, a myriad of tennis courts, pickleball courts, several swimming pools, horseback riding, several restaurants, as well as close proximity to Hoodoo Ski Resort, Mt. Bachelor and Smith Rock State Park. The house is a three bedroom (master with king, 1 BR with queen, 1 BR with 2 bunk beds), two bath, two level home near the Glaze Meadow Recreation Center. Includes AC but no pets or smoking please. The Chang's house was renovated in 2017 making it brand new for your week-long adventure.

THANKS TO: Renee & Dennis Chang

FRIENDS OF FOREST PARK ELEMENTARY

MRS. DALEY'S 2ND GRADE ART PROJECT WON'T YOU BE MY NEIGHBOR?

Good neighbors are people who show kindness and helpfulness toward those who live in their community. The kids in Mrs. Daley's class created colorful painted paper and used it to design a home to be placed in their class neighborhood. Each home is unique and special, the roofline shape, the number of windows, and the size and shape of the structure. Together, all of the homes create a neighborhood, a place we're proud to call home.

THANKS TO: Mrs. Daley's 2nd grade class, Megan Straiko, Pat Kees, Megan Forell, Stephanie Cameron, Nicola Mancini, Amber Vermeesch, Kay Cesarani

CASH DONATION PADDLE RAISE

Missed out on your kid's classroom art project? Got outbid on that getaway? Didn't get that live auction item your kid asked you to get? Now's your time to shine so we ask that you raise your paddle and make a 100% tax-deductible investment directly to your child's education. The Auctioneer will call out funding levels of \$2500, \$1000, \$500, \$250 and \$100 and all you have to do is raise your paddle when you hear the level at which you'd like to donate.
